Robstown, TX, March 16, 2020: The Municipal Court response to the public concern regarding the COVID-19 virus is as follows: The Court will maintain its normal operating hours of Monday through Friday, 8:00 a.m. - 5:00 p.m. All hearings, trials and pre-trials set for this month will be postponed and reset until further notice.

Defendants with court dates this month may receive a reset upon request. We will perform the reset by phone, then send the reset notice by mail, fax or email. Defendants who have not reset their court date and do not appear for court will be granted a reset and no warrants or FTA/VPTA will be issued. If your address has changed since you received your citation, you must notify the court by phone, mail, fax or email.

Individuals who need to appear on or before the initial appearance date on their citation can call the Municipal Court to enter their plea. Citations are still required to be paid via the following options: in person, pay by phone, mail-in payments, or the Utility Systems night deposit box at the drive-through.

In an effort to remain proactive and ensure the safety of employees and defendants, only two people will be allowed in the court lobby. Thank you for your cooperation and understanding.
