NOW THEREFORE, BE IT PROCLAIMED BY THE MAYOR AND CONFIRMED BY THE CITY COUNCIL OF THE CITY OF ROBSTOWN, TEXAS:

SECTION 1. That a local state of disaster for public health emergency is hereby declared for the City of Robstown, Texas, pursuant to Section 418.108(a) of the Texas Government Code.

SECTION 2. That pursuant to Section 418.108(b) of the Texas Government Code the state of disaster for public health emergency **is extended and is effective until 11:59PM on August 30, 2020** unless extended or modified by City Council.

SECTION 3. That pursuant to Section 418.108(d) of the Texas Government Code, this declaration of a local state of disaster activates the City of Robstown, Texas, emergency management plan.

SECTION 4. This Declaration shall incorporate and adopt the most recent executive order GA-28, and 29 issued by Governor Abbott , and any subsequent orders by the Governor relating to the expanded opening of Texas in response to COVID-019 disaster.

SECTION 5. Health and Safety Policy – Commercial Entities. From the date of this Executive Order, all commercial entities in the City of Robstown providing goods or services directly to the public must develop and implement a health and safety policy (“Health and Safety Policy”). The Health and Safety Policy **must require, at a minimum, that all employees or visitors to the commercial entity’s business premises or other facilities wear face coverings over their nose and mouth when in an area or performing an activity which will necessarily involve close contact or proximity to co-workers or the public** where six feet of separation is not feasible. The Health and Safety Policy required to be developed and implemented by this Executive Order may also include the implementation of other mitigating measures designed to control and reduce the transmission of COVID-19 such as temperature checks or health screenings.

SECTION 6. Face Coverings-General Public. CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain. Therefore, **all people 10 years or older shall wear a cloth face covering over their nose and mouth when in a public place** where it is difficult to keep six feet away from other people such as visiting a grocery store/pharmacy or working in areas that involve close proximity with other coworkers. Face coverings are also required at all government owned facilities within the city limits of Robstown, including but not limited to Robstown City Hall, Robstown Independent School District administrative offices. This face covering requirement also includes and is not limited to retail stores, restaurants, bars, business offices, salons and gyms. Coverings may include homemade masks, scarfs, bandanas, or a handkerchief. Residents should continue to maintain social distancing of at least six feet while outside their home. City of Robstown employees are also required to wear face coverings under the same circumstances as the

general public. This declaration also confirms that businesses and property owners can require the wearing of face coverings onto their business and/or property. Such cloth face masks can be fashioned from household items or made at home from common materials at low cost.

Face coverings do not need to be worn in the following circumstances:

- When exercising outside or engaging in physical activity outside
- While driving alone or with passengers who are part of the same household as the driver
- When doing so poses a greater mental or physical health, safety, or security risk.
- While pumping gas or operating outdoor equipment
- While in a building or activity that requires security surveillance or screening, for example, banks
- When consuming food or drink

Please note that face coverings are a secondary strategy to other mitigation efforts. Face coverings are not a replacement for social distancing, frequent handwashing, and self-isolation when sick. All people should follow CDC recommendations for how to wear and take off a mask. Residents should keep up the following habits while in public:

- Washing hands before you leave home and when you return,
- Staying at least six feet away from others,
- Avoiding touching nose or face,
- Not using disposable masks more than three times, and
- Washing reusable cloth masks regularly to prevent the spread of the virus.

Consistent with Executive Order GA-29 issued by Governor Greg Abbott, following a verbal or written warning for a first-time violator of this face covering requirement, a person's second violation shall be punishable by a fine not to exceed \$250. Each subsequent violation shall be punishable by a fine not to exceed \$250 per violation.

Local law enforcement and other local officials, as appropriate, can and should enforce this executive order, Executive Order GA-28, and other effective executive orders, as well as local restrictions that are consistent with this executive order and other effective executive orders. But no law enforcement or other official may detain, arrest, or confine in jail any person for a violation of this executive order or for related non-violent, non-felony offenses that are predicated on a violation of this executive order; provided, however, that any official with authority to enforce this executive order may act to enforce trespassing laws and remove violators at the request of a business establishment or other property owner. This executive order hereby prohibits confinement in jail as a penalty for the violation of any face-covering order by any jurisdiction.

For any outdoor gathering in excess of 10 people, other than those set forth in GA-28 in paragraph numbers 1, 2, or 4, the gathering is prohibited unless the mayor of the city in which the gathering is held, or the county judge in the case of a gathering in an unincorporated area, approves of the gathering, and such approval can be made subject to certain conditions or restrictions not inconsistent with this executive order;

Except as provided in this executive order or in the minimum standard health protocols recommended by DSHS, found at www.dshs.texas.gov/coronavirus, people shall not be in groups larger than 10 and shall maintain six feet of social distancing from those not in their group;

This proclamation shall remain in effect and in full force for as long as Executive Order GA-28 is in effect and in full force, unless otherwise modified, amended, rescinded, or superseded by the Governor.

SECTION 7. In accordance with the Guidelines from the Governor of Texas and the CDC, people shall not visit nursing homes or retirement or long-term care facilities unless to provide critical assistance.

SECTION 8. Excepting Section 6 of this Declaration, in accordance with Texas Government Code Section 418.173 of the Texas Government Code, a person who knowingly or intentionally violates this declaration commits an offense punishable by a fine up to \$1,000.00.

SECTION 9. To the greatest extent possible, this Declaration shall be interpreted as consistent with and supplemental to any executive order issued by the Texas Governor. All provisions of the executive orders of the Texas Governor either existing or as, if and when issued, which are made applicable to all jurisdictions by law shall be automatically incorporated into and constitute terms of this Declaration, enforceable as if set forth herein without necessity for the issuance of any further orders.

SECTION 10. The sections, paragraphs, sentences, clauses and phrases of this Declaration are severable and if any phrase, clause, sentence, paragraph or section of this Declaration should be declared invalid by the final judgment or decree of any court or competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections that can be given effect without the invalid provision, and to this end, the provisions of this Declaration are severable.
