The following outlines the RFP:

### 1. Scope of Work

#### **Administration Services**

A sample detailed Scope of Work ("SOW") for CDBG administration services provided by the GLO is enclosed in this packet (see pages 7-9). The administration service provider to be hired will provide application and contract-related management services, including but not limited to the following areas:

##### Pre-Funding Services

Provider will assist in developing project scope(s) and complete CDBG MIT-MOD application(s). The provider will work with the local government and Engineer, if applicable, to provide the concise information needed for submission of one or more complete CDBG MIT-MOD funding application(s) and related documents. The required information shall be submitted in a format to be described by the GLO.

##### Post-Funding Services

*\*Pre-funding services are generally ineligible for CDBG MIT-MOD reimbursement.*

### 2. Statement of Qualifications

The City of Robstown is seeking qualified professional administration service providers experienced in grant application preparation, and administration/activity delivery. Please provide the following as it relates to your qualifications:

- A brief history of the service provider, including general background, knowledge of and experience working with relevant agencies and programs;
- Related experience in applying for and managing federally-funded local projects, in particular recent experience;

### 3. Proposed Cost of Services

Provide your cost proposal to accomplish the scope of work by activity or to complete a specific service outlined above and for any additional services required using the Cost of Services page(s) included in this packet: Required RFP Forms. The specific projects and grant amounts are yet to be determined; therefore, vendors should propose pricing based on the potential funding amounts provided.

The local government will consider dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises. As such, proposers may specify any maximum limit to the total dollar value of grant funds they are able and willing to manage. Service providers may submit proposals for any or all activities. Preference will be given to firm fixed pricing. The proposal must include all costs that are necessary to successfully complete these activities. Note that the lowest/best price proposal will not be used as the sole basis for entering into this contract; rather, award will be made to the service provider(s) providing the best value, cost and other factors considered. The local government reserves the right to negotiated pricing.

Upon the award of this contract, profit (either %/actual cost) must be identified and negotiated as a separate element of the price for any contract in excess of \$50,000.00.

4. Evaluation Criteria - The proposal received will be evaluated and ranked according to the following criteria and using the rating sheet enclosed:

<u>Criteria</u>	<u>Maximum Points</u>
Experience	30
Work Performance	30
Capacity to Perform	20
Proposed Cost	20
<b>Total</b>	<b>100</b>

5. Submission Requirements

- A **Statement of Conflicts of Interest** (if any) the service provider or key employees may have regarding these services, and a plan for mitigating the conflict(s). Note that City of Robstown may in its sole discretion determine whether or not a conflict disqualifies a firm, and/or whether or not a conflict mitigation plan is acceptable.
- **System for Award Management.** Service Providers **must have an active registration** in the System for Award Management (<https://www.sam.gov/SAM/>). Service provider and its Principals may not be debarred or suspended nor otherwise on the Excluded Parties List System (EPLS) in the System for Award Management (SAM). Include verification that the service provider as well as its principals are not listed (are not debarred) through the System for Award Management ([www.SAM.gov](http://www.SAM.gov)). This clearance information should be included in the service provider's Proposal. **The clearance in the Service Provider's proposal must be re-verified prior to award.** Enclose a printout of the search results that includes the record date.
- **Form CIQ**, (enclosed). Texas Local Government Code chapter 176 requires that any vendor or person who enters or seeks to enter into a contract with a local government entity disclose in the Questionnaire Form CIQ the vendor or person's employment, affiliation, business relationship, family relationship or provision of gifts that might cause a conflict of interest with a local government entity. Questionnaire form CIQ is included in the RFP and must be submitted with the response.
- **Certification Regarding Lobbying** (enclosed). Certification for Contracts, Grants, Loans, and Cooperative Agreements is included in the RFP and must be submitted with the response.
- **Form 1295**, (enclosed). Effective January 1, 2018, all contracts and contract amendments, extensions, or renewals executed by the Commissioners Court will require the completion of Form 1295 "Certificate of Interested Parties" pursuant to Government Code § 2252.908. Form 1295 must be completed by the awarded vendor at time of signed contract submission. Form 1295 is included in this RFP for your information. Form 1295 requires the inclusion of an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form.
- **Required Contract Provisions.** Applicable provisions (enclosed) must be included in all contracts executed as a result of this RFP.

6. Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms. Small and minority businesses, women's business enterprises, and labor surplus area firms must be solicited in this RFP. If the awarded vendor is a prime contractor and may use subcontractors, the following affirmative steps are required of the prime contractor:

- 1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- 2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

- 3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
